MEKONG RED DRAGON RICE
Vietnamese folklore tells of a benevolent dragon residing in each of the nine mouths of the Mekong River, and it's here that the unique strain of dragon blood rice grows. The rice is eco-friendly and fair trade, and husking, sifting, and packaging are done by local villagers. The packaging features an illustration by Andrew Denholm, which uses the Mekong river to weave the journey of the rice. www.xanhshop.com

LAS DOSCIENTAS – ARBEQUINA
Fresh, fruity, and smooth extra virgin olive oil made with 100% Arbequina olives. This oil has pleasant, fresh, and fruity aromas with notes of almond and green tomato, and light notes of pepper. It is very smooth and buttery with a nutty flavour, perfect for salads, vegetables, poultry, and fish.

LAS DOSCIENTAS – PICUAL
Fresh, intense, and peppery extra virgin olive oil made with 100% Picual olives. This oil has a fresh, intense aroma characteristic of the olive variety with notes of fresh herbs, fresh-cut grass, red bell pepper, and fresh artichoke. The flavour is moderately fruity and very peppery, best used for roasted meats, fried potatoes, and stews. www.fosterfinefoods.com
